REVIEWS

Since its establishment, INTH has managed a review section for books in the theory of history and history of historiography. We are grateful to our reviewers who have written English reviews of books in various languages, and to authors who have alerted us about their publications.

Here you will find the list of books we would like to be reviewed. If you are interested in writing a review (or you have a book up for review), please contact us. Further information can be found on our [website](#).
